

CERTIFICATE OF REGISTRATION

INFORMATION SECURITY MANAGEMENT SYSTEM - ISO/IEC 27001:2013

Coalfire ISO, a Certification Body, certifies that the following organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013

Company	Aptible, Inc.	Address	155 Water Street Brooklyn	State	NY
				Country	USA

SCOPE

Aptible, Inc. holds certificate number 201709010001-ISO and operates an Information Security Management System (ISMS) which conforms with the requirements of ISO/IEC 27001:2013. The Aptible ISMS applies to the information systems and networks, personnel, policies, and operational procedures used in the direct provision of Aptible Enclave and Gridiron products and services to Aptible customers in accordance with the ISMS06005 Statement of Applicability. The scope of the assessment included all management system activities performed virtually as Aptible has no physical locations.

Statement of Applicability:

Version: 1.0

Date: 05/09/2017

Originally registered: 09/01/2017

Latest issue: 09/01/2017

Expiration: 09/01/2020

For and on behalf of Coalfire ISO

Print Name: Kate Tennant

Director, Accreditation Programs

This certificate relates to the information security management system, and not to the products or services of the certified organization. The certification reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotional material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate.

LOCATIONS

Virtual

ACTIVITIES
